**Alan David : Draw or Die** before purchasing it in order to gage whether or not it would be worth my time, and all praised Draw or Die:

When Dane Shaw rides into Juniper Bend to visit Frank McSween, he has no idea of the blood bath that awaits him. The infamous Reed family start a deadly shoot-out, which then sparks a bitter feud between the Reed and McSween families. Dane is lucky to survive the shootings, with Bry Dexter ndash; a two-gun artist and friend of the McSween family ndash; intervening and saving him from certain death. Dane isnrsquo;t looking for trouble and is eager to be on his way. But when he learns that his friend, Frank, has been killed, he has no choice but to stay and avenge his honour. How many lives will be taken in the fight between the McSweens and the Reeds? Will Dane become just another casualty in this cold-blooded family feud? Only one thing is certain in Hay Creek Valley ndash; Draw or Die! Praise for Alan David 'A classic of the genre.' - Tom Kasey, bestselling author of Trade Off.
